(TO WHOM IT MAY CONCERN)

Certify that 'THE DARABAR SAHITYA SANSAD' (DSS) a social organization At- village- Souda PO -Dalakasoti GP- Kurunjipur Block- Balipatna Dist- Khordha has been working towards the development of socio-economical vulnerable communities with different mandate. In the field of Agriculture this organization promotes organic farming through Women vegetable growers for sustainable production. The DSS through its Para professionals (PA) and community level Resource persons (CRP), organize women farmers and popularize chemical free vegetables growing through organic farming principles by upgrading their skills and capacity building. Thereby ascertain the forward and backward linkage with market players for profit and economic viability.

I am really impressed upon their field activities during my visit and thank the office bearer of the organization for this type of innovative idea to motivate the farmers for promoting this novel farming practice.

I wish them success in their endeavor.
